Message from Reverend Kevin Kay

Well, the new year has begun. I'm sure you're wondering when winter will arrive, soon I'm sure. It's been a strange January but we'll take it. This merely reminds us that things are rarely the same. We can anticipate and plan but there are some things that cannot be predicted. We need to just let events happen and let God take control.

I trust that you are ready for 2015. It is shaping up to be an interesting year. Many are back to the "grind" after the Christmas break. We welcomed baby Nala Judith Larson. The joy and fun of a new life is so exciting. We wish her the best and pray God's blessings on Scott and Abby and their family.

It was so good to see many home for Christmas. We're thankful for traveling mercies from and to their respective homes.

Please continue to pray for our Pastoral Leadership Task Force. I hope that you will join them on this journey of patience. We will keep you informed about news as it occurs. Once again I ask that you respect the issue of confidentiality. Try not to put the members of the task force in a compromising situation by asking too many questions. It's very important that certain things are kept quiet. It's not that they are keeping news from you. It's just that there are some things that need, NEED to be kept in strictest confidence. Thank you for your help in this.

I have enjoyed presenting the topic of Godly Leadership in our Sunday morning services. I trust that it has been helpful for you. I hope that God blesses you with opportunities for Him in this brand new year.

Finance - New Church Sign

As you are aware, we are raising money for a new church sign which will cost approximately \$3,000.00. To date we have raised \$1100.00. Please consider donating to a new church sign.

New QR Code!

We are very excited to announce that the church has taken another step towards technology – QR Codes!!

You may be asking yourself – “What is a QR Code?”

A QR Code is short for “Quick Response Code”. It is basically a unique bar code that can be scanned by a smart phone that will direct it to a designated website.

Crestview Park Free Methodist Church now has QR codes that will direct you to the following places:

CPFMC WEBSITE

CPFMC ONLINE DONATION PAGE

If you do not have a QR scanner on your phone, you can install one of the following free scanners from the iPhone App Store or the Google Play Store:

QR Scanner (available on the iPhone APP Store)

QR Droid (Available for Android Devices at the Google Playstore)

To utilize these applications simply open the program, and point your phone camera at the QR Symbol of your choice. Your phone will do the rest!

If you have any questions, please do not hesitate to ask Scott, Nancy, Becky, or Akos. We will be happy to help you out! Stay tuned to your bulletin for more QR code links to our Facebook Account and upcoming events!
